What you can expect from Christ the Servant Sunday School Program.....

A multi-sensory "Rotation Model", program for Preschool - 4th grade students. A 5th grade program focused on teaching this age about Jesus' love through discussion/interaction experiences and a Middle School and High School program that is fun and scripturally based.

What the Children's Ministry Committee asks of Parents....

We encourage and need all parents of Sunday School youth to volunteer somehow to assist with this dynamic and exciting ministry. We need your helping both big and small ways to continue to educate our youngest members.
